All ye who are of love's fair train, | To Vigo's sea come haste amain, | *We will bathe us in the ocean waves.*
|| All ye whose hearts love's secret know | Hasten with me where the sea-waves flow, *We will bathe us in the ocean waves.*
|| Hasten with me to Vigo's sea | Thither my love will come to me, | *We will bathe us in the ocean waves.*
|| Hasten to where the sea flows free | And there my lover shall we see,
|| *We will bathe us in the ocean waves.*
